

## Letter of Thanks

Dear Mr. Wang Kunxiao,

On January 13, 2011, WHPM operation was completed. During 182 days, Jereh CRI service team greatly guaranteed the successful completion of drilling operation of 10 wells with their excellent performance and hard work.

On behalf of ConocoPhillips China, I would like to congratulate you and the JEREH WHPM team on finishing the cutting reinjection operation with continuously improved working efficiency, good craftsmanship, and earnest attitude and without any recordable incidents. This outstanding accomplishment results from strong leadership, good organization and team work demonstrated by all your personnel.

Please accept our allegiant appreciation and admiration for this great achievement and services. We are looking forward to next cooperation.

Wish JEREH a bright future!

Yours sincerely,
